ARE YOU LOOKING FOR A JOB?

How can we help?

We support you in looking for a job, internship or training – regardless of your age or your residence status.

We provide you with contacts of further consulting offices (e. g. for recognition of your degrees) and facilitate your talks with Employment Agency, Job Center and Foreigners' Registration Office.

We look for vacancies in companies and establishments and talk to the potential employers (which vacancies are available? What qualifications are necessary?).

Do you have questions?

Contact us!

WE WOULD LIKE TO HELP YOU WITH THAT!

Who do we support?

All refugees who are looking for an employment.

How do we support?

- Developing your working perspectives together with you, and also with Employment Agencies/Job centers
- Helping you prepare your application documents
- Inquiring and contacting employers
- Supporting you in the first weeks of your employment (internship, training or job)
- Contact persons for employers

What else is important to know?

- Our service is free of charges.
- No mediation-vouchers are necessary.
- We cannot help you with finding an apartment.
